for your child!

For Ages 8-12

Polymer Clay Animals

March 20 / 4-5:30 p.m.

We will learn polymer clay techniques and choose from a variety of animals to sculpt. We will then bake the creations to make them last!

Felting Techniques

March 27 / 4-5:30 p.m.

We will explore wet felting techniques and have a variety of fun felted shapes to make such as fabric pictures, cup/bowl, and geodes!

Paper Crafting Flight

April 3 / 4-5:30 p.m.

We will make a variety of paper crafts that can fly! Paper airplanes, origami, and more. We can test our creations outside, weather permitting!

Materials provided for all classes.
Crafts come home with extra supplies/
templates for more practice!

Classes are \$20 per child.
Fees paid at sign up. No refunds
